

## *Background*

On April 5th, 2022 the zoning text amendment for Numbering of Houses, Apartments, and Trailer Parks to the Creedmoor Development Ordinance was adopted by the City of Creedmoor Board of Commissioners.

The purpose of this amendment was to ensuring that properties have clear addressing on the building to help public safety in the event of an emergency.

This amendment was amortized for a period of one (1) year and becomes effective on 4/05/2023.

Creedmoor Development Ordinance  
Article 2.23

# *What Do I Need To Do?*

Property owners must correctly display the address assigned to a structure or lot, whether numerical or alphanumeric.

Unit Identification must be visible from the street.

Residents do not need a sign permit for addressing purposes.

**\*Effective April 5th, 2023  
Addresses will Need to be  
Displayed on the House.**

On a private home, the unit identification shall be placed either above or immediately alongside the front entrance to the structure & clearly visible from the street.

A unit identification placed on posts, signs, or mailboxes along a street & within 3 feet of the right-of-way shall be visible from both directions of traffic.
